

Apollo Driver Cab Card

Keep this cab card with the vehicle at all times. Present to law enforcement personnel when requested.

Roadside Inspection

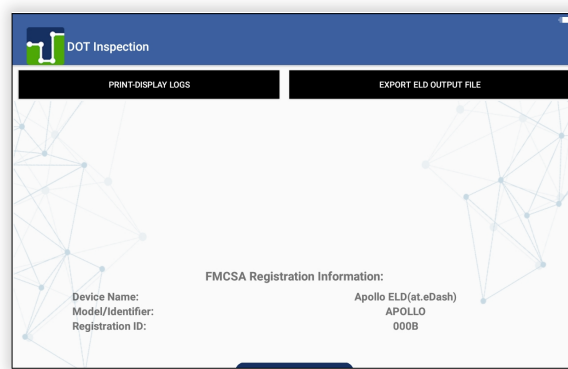

The Roadside Inspection feature provides the ability to view the driver daily logs for the past 7 days. It includes information on the vehicle used, shipments and driving statuses. It also has the ability to send all the logs to an intended recipient.

To Start Inspection:

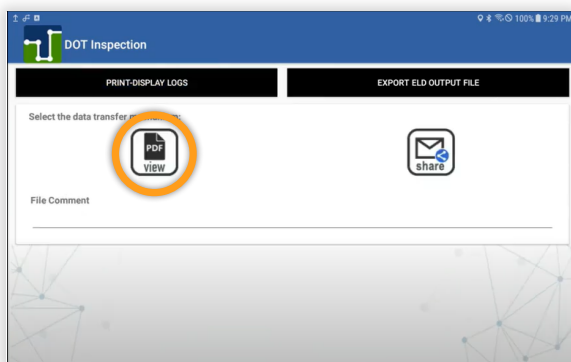

- From the Apollo Home screen select the Officer Icon

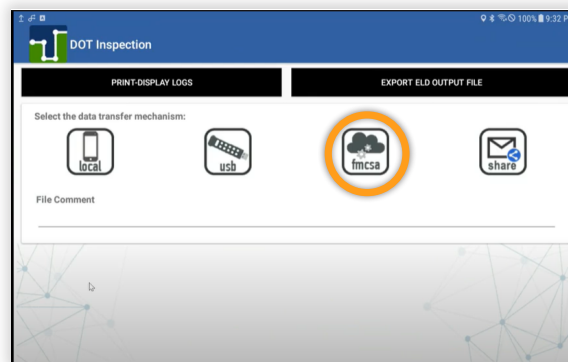

- DOT Officer will have the option to choose how they want to review the logs: print or transfer (export)

- To print view the File Comment field must be filled out to view the PDF

- If file needs to be exported, select the fmsca option and fill in the File Comment

- To exit the DOT Inspection screens the driver will need to enter their password. This will take you back to the Apollo Home screen:
